I. INTRODUCTION

For Fiscal Year 2027, the Department of Workforce Solutions (DWS) received an appropriation from the general fund to fund housing, affordable housing, transitional housing, homelessness initiatives and the expansion of housing services statewide” (House Bill 2, Section 5, Item 172). DWS also received an appropriation of capital outlay funding for “housing projects statewide” (Senate Bill 240, Section 60). The DWS Office of Housing seeks to identify attainable housing, affordable housing, supportive housing, and transitional housing development projects throughout the state in order to deploy some or all of this funding. Projects may be either new construction or renovation projects, and may be in the pre-development process, ready for construction, or under construction.

The DWS Office of Housing intends to use this information to enter into governmental entities for housing projects statewide.

A. Purpose of this Request for Information (RFI)

The RFI Point of Contact (identified in Section I.D. below) may follow up with any written responses to clarify or solicit additional information. Please feel free to share this RFI with anyone you believe may be interested in participating.
